It's a major part of Mojos Bar's ethos that a diverse and inclusive lineup be a priority when putting together an event. We are always more than happy to assist with recommendations of amazing local acts that will help bring a vibrant atmosphere to your event and our venue, while also continuing to support our amazing community.

Production Fee \$500+ GST

Mojos provides sound engineer, A-Grade production, a refreshing hospitality rider and Door Person

Equipment

Due to stage size constraints and limited changeover time, it is a requirement that all acts share a drum kit throughout the night. Mojos has an in house kit, please inform production manager if you prefer to bring your own

Equipment storage can be neatly stored either under the mural, directly side of stage (stage left), or in the green room. While we pride ourselves as having a safe venue, and would happily recommend leaving gear unattended, we must stress that Mojos is not responsible for any equipment.
