MILK BAR

ABOUT MILK BAR

Located on the iconic Beaufort St strip in the heart of Inglewood, Western Australia, Milk Bar is a 400 capacity, world-class live music venue located at the rear of The Civic Hotel.

The venue has a rich history, catering to Perth's live music community for nearly half a century and acting as a cultural centre for the north-eastern suburbs' community for 80 years.

Milk Bar is the latest incarnation of the band room, having undergone a re-brand and refurbishment in 2020 overseen by the team at Bespoke Touring and Australian Venue Company. It provides a premium live music space in inner city Perth, suitable for local, interstate and international touring acts alike, across all genres.
