SIGHT LINES

Visual sight-lines are very important to us. Our d&B sound system has been specifically designed without fill to suit the unique shape of the room. We ask that any additional gear brought in is approved by us first and roadcases are loaded back onto the truck once the stage has been set.

OTHER SOUND STUFF

We are running a Klotz KM H32-B-50 32 channel split multicore system that allows us 32 channels of split at both FOH and Monitors (stage R).

VOLUME

100 DECIBELS

Please note: we have a strict volume restriction of 100 DBA FTA at the desk.

EXTRA CREW

+ SPECIAL REQUESTS

The Gov supplies 1 x soundtech as part of the venue hire. Additional crew can be supplied at cost. We can provide: loaders, LX and SX Systems Techs, Lighting Operators, Stage Hands, Guitar Techs etc.

PLEASE LIAISE DIRECTLY WITH OUR PRODUCTION COORDINATOR TO ARRANGE.

DOORS

Door times are advertised as 730pm. Where possible we like to do a soft door from 7pm, to accommodate those living with disabilities, chronic illnesses, and injuries and to avoid long line-ups for sold out shows.
