The deal

The Stag & Hunter offers artists the option to perform on either a guarantee, or door deal basis

GUARANTEE SHOWS

Fee to be negotiated at time of booking, Free entry door.

DOOR DEALS

All shows attract a hire fee of 20% of total ticket sales. This is to contribute to costs such as APRA fees, door staff, sound tech, and various other promo activities.

The artist/promoter sets the door price and takes 100% of the ticket takings, less the venue hire fee and backline fee (if applicable) for tickets sold. All ticket prices charged by The Stag and Hunter include GST.

The Stag and Hunter has an exclusive arrangement with Oztix.

For all shows

Financial reports are available the Monday following each show and payments will be made via EFT within 14 days of supply of a valid tax invoice.

The artist/promoter organises the line up and pays all acts by own arrangement.

We generally will only book a whole show, not individual acts.

We reserve 10 tickets for media and venue use. Where possible we will allocate these to media for reviewers, photographers, web, radio and press giveaways to assist in the promotion of each show.

The venue provide smiling friendly door staff, as well as our in-house sound engineer, James, who is present at all shows, For acts touring with their own soundperson, James will assist in all stage set-up and running of the show as required.

The standard performer rider is a bar tab of \$150 redeemable for food and drinks.

TICKETING

Tickets are available from the venue's website at <http://stagandhunter.com.au/> through Oztix.

We recommend presale tickets be priced at \$3 to \$5 less than the door price to cover the online ticket booking fee.
