STATEMENT OF VALUES

We acknowledge that the land The Austral sits on is the traditional land of the Kurna people and that we respect their spiritual relationship with their Country. We also acknowledge the Kurna people as the traditional custodians of the Adelaide region and that their cultural and heritage beliefs are still as important to the living Kurna people today. We respect the Elders of the Kurna people, past, present and emerging.

The Austral is a safe and inclusive space for all patrons and performers. We encourage participation from all members of the community free from prejudice and discrimination. Our staff are trained in protective and preventative measures to ensure the safety of patrons and artists. We strongly encourage all artists, agents, managers and promoters booking events at the venue to do so with a commitment to diversity and inclusivity in their line-up.
